

Training

Through partners iridium

Iridium is a Human Resources Development Consultancy, specialising in enabling organisations, teams and individuals 'discover their talent'. Current clients range in size from small, privately owned to multi-national corporations and large public sector organisations throughout the UK and Continental Europe.

Entertainment

Evening Show & Meal

Through our entertainment partners we are able to offer a choice of events including a range of game shows and quiz's which can be built around an evening meal. A perfect end to your team day. Ask about our favourite "The De-Generation Game".

Relaxation

An evening of entertainment is not only a great way of rewarding your team after all the hard work it is also perfect for socialising and getting to know the other team members better.

Team Building - Corporate Days

Teamday provide creative tailor-made team building events designed to encourage cooperation and stimulate original ideas at their relaxed and rural setting or a venue near you.

A Refreshing Change

So whether you want to encourage positive change in your organisation through the participation of a shared experience, or simply wish to thank your team for all their hard work, a Teamday creative activity is the perfect solution.

Teamdays

Creative Experience

Team Building and Corporate Days provide a shared creative experience outside the work-place. These can be structured to produce a finished piece of work through team work, collaboration and design. They can also be used as a reward or relaxation session for a deserving team or a "get to know you" for a newly formed team.

Test of Time

At Teamday we have over twenty-five years of professional design, craftsmanship, teaching and demonstration skills and have acquired contacts that enable us to offer a wider choice of quality creative experiences.

Events

Pottery, Archery, Stone Carving, Magic....

We are professional ceramic craftsmen and know some of the most competent and colourful characters in the art and craft world. Their skills can be combined with your pottery experience to build an event from a couple of hours up to several days in length.

Team Building

We all thrive on achievement. When a team takes part in a new, creative, shared experience the result is one of group achievement. If your team would like to enjoy a new, creative experience then contact us now and see what we can do for you.

Venues

Home or Away?

Based in beautiful Cheshire near Sandbach we also operate nationally, events taking place at venues chosen by our clients. So if you have a favourite venue and want to add something new we would be happy to work with you.

Venues

Away

If it is practical we will travel to a venue of your choice. Most of the events have been designed with this in mind. We have experience of working in a wide range of venues, from the best hotels to a chicken shed (don't ask). All we need is a room big enough to hold your team in comfort, a power supply and a source of water (some events can take place outdoors).

Our Venue

Pottery, Pub, Conference Room, Canal, Restaurant, Rural, Hotel.

The list above may seem strange but if you want to get away and experience something new it works well.

If the aim is to relax or to learn we have the surroundings to do it in.

As well as the pottery and grounds for the event we are blessed with beautiful Cheshire countryside, listed country pub "The Romping Donkey", wonderful canal side restaurant "Lock 57", country house Hotel, The Chimney House and excellent accessibility.
